

Dear Diocesan Colleague,

As an employee of the Diocese of Rockville Centre, you are eligible for discounted access to the exceptional physicians and clinical programs of Catholic Health. Our health care system, sponsored the Diocese, has been serving Long Islanders for more than a century. Today, Catholic Health encompasses six acute care hospital campuses, dozens of Ambulatory & Urgent Care centers, an expanding network of physician practices, home care and hospice services, all conveniently located throughout Nassau and Suffolk counties. Chances are, you've driven past one or two.

Here's the best part—as an employee of the Diocese, you can take advantage of discounts on Catholic Health services. Even better, the quality of care you'll receive at Catholic Health is outstanding. Our team of close to 18,000 health care professionals—physicians, nurses, lab technicians, imaging specialists and more—are all part of one of the nation's most highly recognized health care institutions. And because we are Long Island's only faith-based health care system, we infuse our care with a very healthy dose of compassion.

So, if it's time for a check-up, or perhaps you're just looking for a new doctor, give us a call. You can schedule an appointment with a Catholic Health provider near you by **calling a dedicated hotline just for Diocesan members and eligible dependents: (833) 274-7851.**

I also encourage you to visit our Catholic Health website or simply scan the QR code within the attached flyer to learn more about our breadth of services, as well as our many awards and recognitions. You'll see we provide the most innovative and multidimensional care on Long Island—always delivered with a genuine respect for our patients' innate humanity.

Thank you for considering Catholic Health.

Gary Havican
Interim President & Chief Executive Officer
Chief Operating Officer
