A decorative border surrounds the central text area, consisting of a repeating sequence of playing card symbols: heart, club, diamond, and spade. The hearts and diamonds are red, while the clubs and spades are black. The symbols are arranged in a continuous line around the perimeter of the page.

THE GUILD OF ST. FRANCIS HOSPITAL

Founded in 1941, The Guild was originally known as the St. Francis Cardiac Guild and St. Francis Hospital & Heart Center was still a small sanatorium for cardiac care. Today, members are actively involved in hosting fund-raising events and operating The Gift Shop located at St. Francis Hospital.

The Guild and Gift Shop have helped to finance many projects. Most recently, all proceeds from events and the Gift Shop will be donated in support of the Campus Modernization Program and the President's Fund at St. Francis Hospital Foundation.
